INDEPENDENT AUDITORS' REPORT

Board of Directors
Native American Professional Parent Resources, Inc.

We have audited the accompanying financial statements of Native American Professional Parent Resources, Inc. (the Organization) which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to present fairly, in all material respects, the financial position of the Organization as of June 30, 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Organization's 2013 financial statements, and our report dated November 26, 2013, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget *Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2014, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

(With Comparative Totals for 2013)

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Operations

Native American Professional Parent Resources, Inc. (the Organization) provides education and direct services to Native American children and families and support services to Indian Health Service dental clinics. The Organization receives their financial support from Medicaid, Federal, state, and local grants and contracts, United Way, and public contributions. The programs operated by the Organization include:

Dental Support Center: Offers support, educational opportunities, and training to Indian Health Service dental programs in order to improve oral health of Native Americans.

Early Head Start: Provides quality child and family development services to income eligible pregnant Native American women and families with infants and toddlers in home and center based settings.

Early Intervention Services: Program gives direct educational and developmental support to children with special needs up to three years old and their families.

Healthcare Education and Outreach: Provides in-person consumer assistance to Native Americans who may benefit from new health coverage options available through the New Mexico Health Insurance Exchange.

Home Visiting: Home-based program that provides parenting education and health promotion to families and expectant parents.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation

The financial statements have been prepared and are presented on the accrual basis of accounting.

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the financial statements for the year ended June 30, 2013, from which the summarized information was derived.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

(With Comparative Totals for 2013)

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Grant and Contract Receivables

Contract revenues are recorded when services are rendered. Grant revenues are substantially recorded as related costs are incurred, as the terms of grants are primarily cost-reimbursement in nature. Management reviews the collectability of its receivables and records a reserve for its estimate of uncollectible accounts. Historical bad debts and current facts and circumstances are the primary bases for this estimate. When an account is deemed uncollectible, it is charged off against the allowance. Management estimates that the allowance for doubtful accounts is zero as of June 30, 2014 and 2013, respectively.

Pledges Receivable

Pledges receivable represent unconditional promises to give and are recognized in the period the pledge is received. Pledges receivable are all substantially due within one year and are considered fully collectible at June 30, 2014 and 2013, respectively.

Property and Equipment

Property and equipment consists primarily of computer and office equipment and are stated at cost. Depreciation is recorded on the straight-line basis over the asset's estimated useful lives, which range from two to five years. The Organization capitalizes acquisitions in excess of \$1,000. Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation expense for the years ended June 30, 2014 and 2013 was \$40,917 and \$33,758, respectively.

Net Assets

Unrestricted net assets represent resources whose use is not limited or restricted by donors. Unrestricted net assets have arisen from exchange transactions, receipt of unrestricted contributions and expirations of existing restrictions. Temporarily restricted contributions are recorded as unrestricted to the extent the restrictions expire in the same reporting period.

Temporarily restricted net assets represent resources whose use is limited by donors to specified purposes. Temporarily restricted net assets are released as unrestricted when the related purpose requirements are satisfied.

Permanently restricted net assets represent resources that are maintained permanently, according to donor-imposed restrictions. The Organization has no permanently restricted net assets as of June 30, 2014 and 2013, respectively.

Native American Professional Parent Resources, Inc.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014

(With Comparative Totals for 2013)

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Donated Services and Materials

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Donated materials are reflected as contributions at their estimated values at the date of receipt.

Income Taxes

The Organization has received tax-exempt status under Code Section 501(c)(3) of the Internal Revenue Code. The Organization has adopted accounting principles generally accepted in the United States of America, as they relate to uncertain tax positions and has evaluated its tax positions taken for all open tax years. Currently, the 2011, 2012 and 2013 tax years are open and subject to examination by the Internal Revenue Service and New Mexico Taxation and Revenue Department. However, the Organization is not currently under audit nor has the Organization been contacted by any of these jurisdictions. Management believes that the activities of the Organization are within their tax-exempt purpose, and that there are no uncertain tax positions.

Restricted and Unrestricted Support and Revenue

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending upon the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Classification of Expenses

Expenses are presented on a functional basis allocated among its various programs, including management and general. Expenses and support services related to a specific program are allocated directly according to their natural expenditure classification. Other expenditures that are common to several programs are allocated based on various relationships, such as square footage or direct labor or periodic time and expense studies.

Fundraising Activity

The Organization accounts for the allocation of joint costs between program activities and fund raising as provided for by accounting principles generally accepted in the United States of America, surrounding the accounting for costs of activities of not-for-profit organizations that include fundraising.

Financial Instruments

The carrying amounts of cash, receivables, payables, accrued expenses, and other liabilities approximate fair value due to short maturity periods of these instruments.

(With Comparative Totals for 2013)

NOTE 4 – LINE-OF-CREDIT

The Organization is party to a line-of-credit agreement with a financial institution that allows for up to \$50,000 to be drawn upon as needed, secured by assets. The line bears variable interest at prime rate (3.25% as of June 30, 2014 and 2013) plus 1.00%, with a minimum interest rate of 6.00%. Interest-only payments are due monthly, with all unpaid principal and interest due at the line's maturity date in January 2015. The balance on the line was zero as of June 30, 2014 and 2013, respectively.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

Operating Leases

The Organization leases its operating facility under an operating lease agreement that calls for monthly payments of \$13,737 and expires in November 2019. The Organization leases its learning center facility under an operating lease agreement that calls for monthly payments of \$3,200, and expires in November 2015. The Organization leases a piece of office equipment under an operating lease agreement that calls for monthly payments of \$601 and expires in August 2017.

Total rent expense under these leases was \$223,676 and \$188,887, in 2014 and 2013, respectively.

Future minimum fiscal year lease payments for all leases are as follows:

2015	\$	214,573
2016		197,241
2017		186,462
2018		185,830
2019		166,976
Thereafter		<u>81,056</u>
	\$	<u>1,032,138</u>

Concentration of Revenues

The Organization's most significant funding source is support from contracts with the State of New Mexico Medicaid Program. Operations would be adversely affected if this funding were no longer available. This funding totaled 34% and 36% of total revenues for the years ended June 30, 2014 and 2013, respectively. The receivable from the New Mexico Medicaid program was \$214,343 and \$164,845 as of June 30, 2014 and 2013, respectively.

NOTE 5 – COMMITMENTS AND CONTINGENCIES – CONTINUED

Questioned Costs

The Organization receives grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could result in a request for reimbursement by the grantor agencies for expenditures disallowed under the terms and conditions of the appropriate agency. The Organization has not experienced questioned costs in the past. In the opinion of the Organization's management, such disallowances, if any, would not be significant.

Employee Benefit Plan

The Organization sponsors a 403(b) retirement plan (the Plan) for all eligible employees. To be eligible, employees must be 21 years of age or older and may elect to participate beginning with the first payroll period after employment. Contributions to the Plan come from elective salary deferrals made by participants. The Organization does not make matching or discretionary contributions to the Plan.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Native American Professional Parent Resources, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Native American Professional Parent Resources, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 17, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified a deficiency in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs to be a material weakness (Finding 14-01).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Organization's Response to Findings

The Organization's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report, is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY *OMB CIRCULAR A-133***

Board of Directors
Native American Professional Parent Resources, Inc.

Report on Compliance for Each Major Federal Program

We have audited Native American Professional Parent Resources, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2014. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs, based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and *OMB Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.

SECTION II - FINANCIAL STATEMENT AUDIT FINDINGS

MATERIAL WEAKNESS

Finding 14-01 Revenue Recognition over Service Contracts

Condition: During five (5) months of the fiscal year, revenue for service contracts was incorrectly recorded.

Criteria: Detective internal controls should be in place to provide reasonable assurance that revenue is being recognized appropriately.

Cause: Detective controls over the review of interim financial data, as well as a reconciliation of amounts billed to revenue recognized, are inadequate.

Effect: Revenue was incorrectly recorded in excess of amounts earned.

Recommendation: Detective controls requiring timely review of interim financial data should be implemented. Amounts billed on service contracts should be reconciled to revenue recorded on a regular basis.

Views of Responsible Officials and Planned

Corrective Actions: NAPPR agrees with the finding and recommended procedures will be implemented.
